Coordinación de Enlaces Estratégicos

November 4, 2026

Dear Jenny Chan,

On behalf of the Autonomous Metropolitan University, Azcapotzalco campus in Mexico City, Mexico (UAM-A), I would like to invite you to deliver a lecture on platform-based delivery workers in China. This activity is part of a university project that examines the economic, labor, territorial, and cultural impacts of the logistics industry within the Mexico City metropolitan area, Tijuana, and the Los Angeles, California, metropolitan area.

Sincerely,

Dr. Abelardo Mariña Flores
Coordinador de Enlaces Estratégicos
